

View from The Peaks

The building sites at The Peaks are spread across the mountainside of Mount Will, extending from the flowing Sunday River on the valley floor all the way up to the summit ridge. All lots have southern exposures with panoramic mountain views of Sunday River Resort and the Mahoosuc Mountains so unique they can only be found at The Peaks. All this just a five-minute drive from Sunday River's base lodges!

Peaks Village offers the same convenient location and access as The Peaks at more inviting prices. The building sites are smaller in size and clustered, creating a more intimate neighborhood setting. Located on the lower slopes of Mount Will, land at Peak Village offers incredible views across the valley toward Sunday River Resort.
